

# **Business 4 Transformation. Religious freedoms and human rights. Unengaged people groups.**

TAKE THE INITIATIVE  
**DISCOVER HOW**

- short-term initiatives
- internships
- apprenticeships

**gl•balHOPE**

Over the years globalHOPE has engaged people through small business and community development initiatives in nations traditionally hostile to Christian missionaries. GlobalHOPE is now at work through New Mission Systems International to impact “unengaged peoples” in resistant fields and in our churches globally. You could be called by God to open yet one more door to the world still closed to the Gospel by using the professional expertise God has allowed you to gain.

**short-term or long-term, please join us!**

**[globalHOPE@nmsi.org](mailto:globalHOPE@nmsi.org)**

globalHOPE is a ministry of New Mission Systems International
